ING Corporate Cards

ING Bank can offer your company a solution in the area of payment cards - **ING Corporate Card Programme**. These cards are issued directly by the Head Office, ING Bank N.V., Amsterdam.

The ING Corporate Card is for business related expenditures. This enables your company to easily keep track of your company expenses.

ING Corporate Card is a charge card. In practice it means that your company has available a monthly spending limit and on a regular basis your company will be asked to pay the amount of all transactions that have been made with your Corporate Cards. The total spending limit has to be approved by ING Bank N.V., Amsterdam. This company limit must not be higher than the total sum of spending limits for all your employees.
